Hi Jessica,

I've attached my request for a public hearing for the Silver Maple Wind Project. Can you please confirm for me that you have received it? I will make certain the original written request is in your office within 5 days.

For the sake of accuracy, I believe that Chapter 3, Section 3. F. allows a request for a Public Hearing on this application to be received as late as Dec. 3rd. The fourth sentence says "the day of the act or event that starts the period is not included". Doesn't that mean that Nov. 13th would not be included, making December 3rd the deadline? It is a moot point now for me, but I'd like to advise other people of the correct deadline should they ask.

Thank you.
