To Whom it May Concern:

I am a property owner on Hopkins Pond in Mariaville, Maine. At this time I would like to go on record as saying that I do not support the Wind Turbine project that will affect the beauty of the surrounding land. It is a gift to be able to enjoy the scenic beauty that abounds. With the Turbine project this pristine view and opportunities for a simple life will be diminished. Please listen to the people and don't allow this project to move forward.
