Dear Town of Moscow,

This letter is to notify you that Western Maine Renewables, LLC (the Applicant), a joint venture between Patriot Renewables, LLC and Cianbro Development Corporation, plans to file a Site Location of Development Act (Site Law) permit application and a Natural Resources Protection Act permit application with the Maine Department of Environmental Protection, pursuant to the provisions of title 38 M.R.S. §§ 481-490, *et seq.*, and the Wind Energy Act, title 35-A M.R.S. §§ 3401-3459. Public Notices
Public Notices are a permanent and independent record of government and court actions. These include state and local government meetings, rule making, available contracts, zoning changes, and many more as required by law. In addition, parties to some court proceedings, such as foreclosures, probate, and estate actions are required to publish notices to ensure notification of interested parties, as well as the general public. These notices also alert business owners, large and small, to potential government contractual jobs, helping to ensure economic activity across a level playing field. Public notices have existed to ensure transparency in the conduct of government since the founding of the United States.

State and local notices are published in Maine newspapers and are also recorded at mainenotices.com, where anyone can browse or search notices, and sign up to receive email alerts when relevant notices appear.
