RE: DEP APPLICATION #L-7713-26-AK-A, BUCKSPORT, MAINE

Dear Mr. Whitten:

Your client's application for a Site Location of Development Act application was received by the Department of Environmental Protection and found to be acceptable for processing on July 12, 2019. Acceptance of the application does not preclude the Department from requesting additional information during processing. Your client's application has been given the above reference number.

The project will now be examined to determine whether a license can be issued. We will do our best to process the application and issue a decision as soon as possible. No construction related to the proposed activities currently under review may be started prior to receiving a final decision from the Department.

Please feel free to contact me at (207) 446-9026 or via email at jim.r.beyer@maine.gov if you have any questions regarding this project.

Sincerely,

James R. Beyer, Project Manager
Bureau of Land Resources
