Subject: Mandating EV's

I explore this committee to use some common sense regarding mandating EV sales in Maine. They are too expensive for many Mainer's to purchase, insure and repair. They are also unreliable, especially in the bitter cold of Maine winters. Please DO NOT attempt to force this against the will of the people. Things like this and the cute little stunt the secretary of state just pulled are causing division, unrest, and distrust of our state government.

Sincerely,
