Greetings,

My name is David Twitchell, 10 Green True Rd, Wayne, Maine, 207-343-2767.

I don't want to take gas powered vehicles away from anyone, but tightening controls on their sale, and/or, continuing incentives for electric vehicles sounds good. We have subsidized and pushed oil production, and gas vehicles by our government paid for highways for almost a century. It will just change the direction of the incentives. Respectfully,
David.
