Dear Lynne Caytin, My name is Connie Petersen I am writing to express my opinion on the DEP rules chapter 128 and chapter 127-A. I find it concerning that Maine's DEP would be looking to California for guidance on clean air programs for Maine. In my opinion California is rushing into trouble and confusion with any push to force electric vehicles on it's people. Maine needs to be wise and careful about any rules it makes round our clean air. Thank you for your time. Sincerely
Connie Petersen
