Dear Air Quality Bureau Cayting,

This bill would be absolutely devastating to my small business as I'm close to the New Hampshire border. I would not be able to compete as my operating cost will be much higher with this in comparison to companies just over the border. It's hard enough already as a business owner in this state to provide good quality jobs for the community.

As a small business we can only handle so much.

Please we don't need this right now.

Sincerely,

Jamie Foster
