**Subject:** Opposite Phasing-out Gasoline Vehicles

EXTERNAL: This email originated from outside of the State of Maine Mail System. Do not click links or open attachments unless you recognize the sender and know the content is safe.

To Whom It May Concern:

I oppose phasing out gasoline vehicles in the state of Maine; especially after President Biden has publicly stated he's considering shielding the sun to reduce Earth's temperatures as you are considering forcing electric/solar on everyone.

Our grid cannot handle the influx of users and the lithium battery fires are extremely dangerous according to firefighters which have dealt with spontaneous combustion.

**DO NOT PHASE OUT GASOLINE VEHICLES IN MAINE!**
