Dear Air Quality Bureau Cayting,

Mainers have traditionally always been hearty, individual souls. We are not New York, or Massachusetts or Michigan. We have elected officials that are supposed to represent the will of Maine people & Not the wishes of other state politicians and their agendas. Maine shouldn't allow California, or New York or any other lawmakers to craft our regulations. Please vote no on this terrible proposal. Keep Maine's independence in tact.

Sincerely,

Ridge York
