DEP,

I strongly support the Advanced Clean Trucks rule.

This rule is long overdue. For too long, trucks have been belching out unhealthy fumes on those unfortunate enough to be in their vicinity. This rule also get trucks in line to slow CO2 emissions and help the fight against climate change. Again, this is long overdue.

Please adopt this rule and quit further delaying getting these vehicles cleaned up for the sake of healthful breathable air and climate change.

Sincerely,
Lindy Moceus
