Maine Drug Take-back Stewardship Program
Disposal of Unwanted Drugs Plan

Goal:

To offer a free and safe drug disposal service to Maine residents including the take back, transport, and disposal of unwanted unopened medications.

Proposal:

Effective December 1st of 2022, OPS International Inc DBA Olympia Pharmacy will allow Maine patients and physicians who hold unwanted and unopened Olympia “covered drugs” will be eligible for the Drug Take-back Program.

Take-Back:

Maine residents will send an email to customerservice@olympiapharmacy.com to request a paid UPS return label for the return of unwanted drugs. Olympia Customer Service will then provide a pdf copy of the return label for use at a UPS store or UPS drop off location.

Transport:

UPS will be the carrier to transport the unwanted medication back to Olympia at 6700 Conroy Rd Ste 155 Orlando, FL 32835.

Disposal:

Upon delivery, the package will be opened, and the unwanted drugs will be properly disposed of.
