Hi Elena and Jessica,

Happy New Year to you both! I wanted to share the fee methodology they use for the Canadian stewardship programs. Unfortunately, the contact I had at Resource Recovery Alliance has moved on, but the director of the new company Circular Materials, got back to me and shared this page on the cost methodology, which I'm hoping will be useful for you:

<https://www.circularmaterials.ca/mcd/>

Let me know if there is anything else that you may need related to calculating producer fees.

Cheers,

Erin Victor (she/her/hers)
