Can't remember if I've mentioned Truckee yet but I'm just going to keep spamming you with examples of cities & towns that have invested in reuse: The Town of Truckee, CA offers reusable foodware for rent for local events. The kit includes reusable plates, cups, bowls, and silverware that local groups can utilize for free. The Town also utilizes these dishes for all Town-hosted events, setting the example for reuse. In 2022, this program helped prevent an estimated 6,680 disposable foodware items from being landfilled.
