

### **EGAD Data Disclaimer**

EGAD (Environmental and Geographic Analysis Database) is a public information resource provided by the Maine DEP. The State of Maine and InforME make every effort to ensure that published information is accurate and current. Neither the State of Maine, nor any agency, officer, or employee of the State of Maine warrants the accuracy, reliability or timeliness of any information published on the Maine.gov website, nor endorses any products or services linked from this system, and shall not be held liable for any losses caused by reliance on the accuracy, reliability or timeliness of such information. Portions of the information *are subject to revisions, corrections, and updates*. Any person or entity that relies on any information obtained from this system does so at their own risk.

Data in the EGAD system data go through various levels of quality assurance/quality control procedures before being accepted by the DEP to meet project requirements. However, the DEP makes no guarantee as to the accuracy, reliability, timeliness or completeness of the data. To ensure data authenticity, original laboratory analytical reports and field sheets should be consulted. As an aid to data interpretation, EGAD supplemental materials such as the data dictionary and LUP tables should be consulted. The DEP does not assume any responsibility for the nature in which EGAD data are used, either in their raw form or in the form of derived products. When using EGAD data, the following citation should be provided: *Maine Department of Environmental Protection, EGAD (Environmental and Geographic Analysis Database), <https://www.maine.gov/dep/maps-data/egad/>, (date accessed)*.
