

Maine Department of Environmental Protection

Voluntary Response Action Program Application

Please complete this application to request technical assistance from the Voluntary Response Action Program (VRAP), pursuant to 38 M.R.S. § 342(15) and 38 M.R.S. § 343(E).

Please read and follow the VRAP application instructions found on the Department's website prior to submitting your application, supporting documents, and application fee:

<https://www.maine.gov/dep/spills/vrap/appsub.html>

Direct any question to the VRAP Program Manager listed on the website.

As applicant(s), agent(s) that may act on my behalf (list, if any):

_____ of _____

_____ of _____

_____ of _____

_____ of _____

Certification

I hereby make a request of VRAP to assist me and the company/organization I represent in determining whether the above-described property has been the site of a release or threatened release of a hazardous substance, hazardous waste, hazardous matter, special waste, pollutant or contaminant, including petroleum products or by-products. I understand this assistance may include the review of agency records and files, and review and approval of my investigation plans and reports as well as remedial action plans and implementation.

I am aware that the property listed in this application will be placed on the Division of Remediation's Sites List Database that is located on the Department's website, and that any documents I submit to the Department are publicly available through their file room. I am also aware that VRAP, at its discretion, may contact municipal officials regarding investigation and/or remedial actions at sites participating in the program.

*****Note: For Properties with Petroleum Discharges from USTs or ASTs****

If your property has petroleum discharges (or potential discharges) related to an underground storage tank (UST) or aboveground storage tank (AST) facility, **please also sign the following:**

I hereby agree to comply with 38 M.R.S. § 568(A)(4) which includes the submittal of work plans, budgets, and schedules to the Department for review and approval. I also agree to keep a detailed record of all costs associated with the investigation and cleanup of petroleum discharges at the property, and will submit estimates of past costs to investigate and cleanup petroleum discharges at the property that have been incurred prior to making this application.
