

Member Dealer / Redemption Center Agreement

A “member dealer” is any retailer (including restaurants, bars, cafeterias, etc.) that has an agreement with a local redemption center and that, due to a lack of space or staff:

- 1) will be unable to accept returnable containers it has sold, and will inform its customer to bring returnable containers to the local redemption center; or
- 2) will be able to accept all or some returned containers, and the local redemption center staff will regularly visit the facility to handle/remove returned empties.

This agreement between the member dealer and the redemption center is the responsibility of the parties involved.
