

2018 approved consolidators for Maine's product stewardship program

The Maine Department of Environmental Protection (Maine DEP) has approved six businesses to provide consolidation services in Maine's product stewardship program for certain electronic wastes in calendar year 2018. These consolidators will provide pick-up, transportation, accounting, and recycling services to collection sites and will invoice manufacturers for their return, orphan, and/or recycling shares in accordance with 06-096 CMR 415, *Reasonable Costs for Handling and Recycling of Electronic Wastes*.
