Who We Serve
DHHS At a Glance

Data Sources

OCFS
1. Data includes individuals who were youths over the age of 18 on a voluntary agreement (V9).
2. Family foster homes licensed by the State of Maine.
3. The number of unique, unduplicated, clients authorized for any children’s behavioral health service.
4. Number of children receiving child care subsidy.
5. This includes children exited to reunification (which includes custody returned to parent or relative), adopted and/or permanent guardianship finalized, and transitioning to adulthood.

SAMHS
6. Data reflects individuals admitted into SUD services who indicated, at time of admission, that they did not have insurance. WITS data includes admissions into all levels of care: Evaluation, Non-Intensive Outpatient, Intensive Outpatient, Detoxification, Shelter, Short-Term & Long-Term Residential Rehabilitation, Medication Assisted Treatment, and Opioid Replacement Therapy. Maine Substance Abuse Treatment Data System.
7. Data reflects individuals aged 18+ who, at the time of submission, did not have insurance and were submitted under SAMHS grant funds or state dollars. Data may include individuals who received MaineCare during their treatment.

OMS
8. Total enrollment in MaineCare includes members with coverage such as DEL only or MaineRx who are not included in the Case Load Report.
9. Data includes children in traditional CHIP, CHIP CC, and CHIP ME.
10. Data is for State Fiscal Year 2018 and represents members with Opioid Use Disorder including those who: 1. Incurred service claims for members with a principal diagnosis beginning with F11-Opioid-related disorders, or 2. Incurred pharmacy claims for buprenorphine combinations (mainly Suboxone) and Naltrexone. Methadone is included in the service claims. Note: In SFY 2018, 19,159 members overall received treatment for substance abuse.
11. Expansion totals represents the number of individual enrolled in MaineCare under expansion. It is not the cumulative number of individuals who have gained coverage. For more information and the latest numbers visit https://www.maine.gov/dhhs/expansion.shtml.

CDC
12. Data from the Maine Center for Disease Control and Prevention.
13. Ibid.
14. Ibid.

OPI
15. Individuals enrolled in the Temporary Assistance for Needy Families program.
16. Individuals enrolled in the Supplemental Nutrition Assistance Program.
17. Child support collected by the Office of Family Independence.
18. Disability claims processed by the Office of Family Independence.

OADS
19. Data represents all adults with a public guardianship and/or public conservatorship relationship with the Department, including several types of full and limited guardianship/conservatorship.
20. Data includes MaineCare members in a nursing or residential care facility (PNMI Appendix C). This includes nursing facilities and PNMI Appendix C residential care.
21. Data includes individuals receiving Section 19 Medicaid Waiver. The Elder and Adults with Disabilities Home and Community-Based Benefits (Section 19): Medicaid Waiver provides in-home care and community benefits to assist adults age 18+ who meet nursing facility level of care remain in their homes and thereby avoid or delay institutional nursing facility care.
22. The data represents individuals with intellectual disability or Autism Spectrum Disorder who qualify for ICF-IID (intermediate care facility for individuals with intellectual disability) level of care and choose to live in home and community-based services (“waiver services”) supported under MaineCare Benefits Manual Section 21 or Section 29.

RPC
23. Ibid.

DDPC
24. The number of in-patients receiving treatment at Riverview Psychiatric Center.
25. The number of in-patients receiving treatment at Dorothea Dix Psychiatric Center.

DLC
26. The number of nursing homes licensed by the State of Maine.
27. The number of hospitals licensed by the State of Maine.
28. The number of rural health clinics licensed by the State of Maine.
