

ETT – July 2024 MAINE:

The following report generated quarterly by US EPA's Enforcement Response Policy Targeting Tool, lists unaddressed priority systems requiring enforcement from the Maine DWP. Due to data freezes during this process, there are a number of public water systems that either already returned to compliance or were already addressed by the DWP. Some may not be regulated by the DWP anymore. For any questions about this report, please contact Sara Flanagan at (207) 441-9371 or sara.m.flanagan@maine.gov.
