This institution is an equal opportunity provider

This diagram indicates that the project title includes the town or district name, and the sign should be constructed using exterior plywood (A-B grade) with minimum lettering size of 5 cm (2-inches). The sign should specify the engineer, contractor, and total project cost. The financed programs include the SRF program, which is co-funded by the Maine Department of Environmental Protection and Maine Municipal Bond Bank, among others. The sign also includes logos of relevant agencies and a note about equal opportunity. Minimum sign dimensions are specified as 1200 x 2400 x 19 MM (4’ x 8’ x 3/4’’).
