2019 WATER OPERATOR LICENSE REINSTATEMENT

This reinstates a license that was not renewed in 2017 or 2018
Reinstated License will be active until 12/31/2019 or 2020, respectively.

STEP 1 Training Contact Hour (TCH) Renewal Requirements for highest level license:

VSWS - 6 TCH Class I - 12 TCH Class II - 18 TCH Class III or IV - 24 TCH. This represents the required TCH for renewal period ending 2017 or 2018 and brings the license up to date. Training may have been taken from licensing date of the inactive license to present. Successful completion of exams during the renewal period equals 3 TCH. Please list training below and attach photocopies of certificates or company training records.

Table with 3 columns: Description-attach photocopies, Date, TCH. Multiple empty rows for data entry.

STEP 2

- Include check or money order for \$75 renewal for inactive license +\$50 reinstatement = \$125 total fee to bring license up to date (renewal 2017 or 2018), fee payable to Treasurer, State of Maine. We are unable to accept credit cards.
Complete, sign and date this form
Return completed form, documentation and fee to the address above.
