# Maine's Outdoor Dining Law

Title 22. M.R.S.A §1550

Guide for Licensed Eating Establishments

> Published by Health Inspection Program

Department of Health and Human Services sine Center for Disease Control and Prevention 286 Water Street 11 State House Station Augusta, Maine 04333-0011 Tel.: (207) 287-8016; Fax: (207) 287-9058 **Purpose** Tobacco smoke contains more than 7,000 chemicals. Tobacco use causes cancer, heart disease, and lung diseases. There is no risk-free level of exposure to secondhand smoke. Tobacco use is the single most preventable cause of death and disease in the United States.

80% of Maine residents are nonsmokers, and most people who smoke want to quit.

### **Definitions**

**Eating Establishment** means any place where food or drink is prepared and served, or served to the public for consumption on the premises.

**Smoking** includes carrying or having in one's possession a lighted or heated cigarette, cigar, or pipe or a lighted or heated tobacco or plant product intended for human consumption through inhalation whether natural or synthetic in any manner or in any form. "Smoking" includes the use of an electronic smoking device.

The Law Smoking is prohibited in an outdoor eating area if the outdoor eating area or any portion thereof is open and available for dining and beverage service.

**Penalty** A person who violates the law commits a civil violation for which a fine of \$100 may be adjudged, except that a fine of up to \$1,500 may be adjudged for each violation in cases when a person engages in a pattern of conduct that demonstrates a lack of good faith in compliance.

# Outdoor Dining Area Checklist

1.) Is your business required to comply with Maine's Outdoor Dining Law §1550? Check by answering the following 4 questions:

Criteria	Yes
1.) Is your business licensed by the Health Inspection Program as an eating establishment?	
2.) Does the area have a patio, deck or other property that is partially enclosed or open to the sky that is permitted for outdoor eating or drinking under the control of your eating establishment?	
3.) Does the area contain sitting or space designated by the owner or operator of the business where food or drink is permitted for consumption on the premises?	
4.) Is food or drink sold to customers intended or required for consumption on the premise?	

If you answered 'yes' to any question above, your eating establishment shall comply with Maine's Outdoor Dining Law §1550.

2.) Complete the action planning checklist below for tips to prohibit smoking in eating areas or any portion thereof that is open and available for dining and beverage service at your licensed eating establishment:

Management Practices	Yes/No	Action Needed
1.) Is someone taking responsibility for ensuring compliance?		
2.) Have all staff been instructed on the requirements of the law?		
3.) Have policies or procedures been developed to guide your staff in compliance?		
4.) Are plans in place and signs posted to ensure customers are informed?
