

JANET T. MILLS  
GOVERNOR

STATE OF MAINE  
DEPARTMENT OF ENVIRONMENTAL PROTECTION

MELANIE LOYZIM  
COMMISSIONER

Date: January 14, 2022

To: All Municipalities

From: Brandy M. Piers, P.E., SCG Coordinator  
Small Community Grant Program

Subject: **SFY 2022 Small Community Grant Program Funding Requests**

The Department is now accepting applications for Small Community Grant (SCG) program funding requests to correct malfunctioning septic systems which directly or indirectly discharge sewage to waterbodies of the State or are causing public health problems. The SCG Application must be submitted by **February 18, 2022, before 5pm.**

With the 130<sup>th</sup> Maine Legislature’s approval of Governor Mills’ *The Maine Jobs & Recovery Plan*, one-time funding in the amount of \$3,000,000 has been allocated to the Small Community Grant program, administered by the Department of Environmental Protection (DEP). This funding was provided by the American Rescue Plan Act of 2021, to be used toward State Fiscal Recovery. In 2022, \$1,000,000 is available for Municipalities to apply for projects, and the remaining funds will be released in 2023.

The Municipality must submit the **Grant Application**, to determine initially if the Owner(s) qualifies for grant funds by providing the following information:

1. Applicant Information form
2. Application Description of Existing Conditions Form
  - a. Tax Assessors Card for the property
  - b. Copy of the most recent Federal Income Tax Return for all owners (individuals or entities) associated with property
    - i. Do not include IRS attachments unless specifically requested by the Department. Black out social security and bank account numbers.
    - ii. In cases where a Federal Income Tax return is not filed, the owner must provide alternative documentation to the applicant for review and approval by the Department.
