

You might
not see it, but
I'm smiling.

I'm doing my part
to stop the spread.

You might
not see it, but
I'm smiling.

I'm doing my part
to stop the spread.

You might
not see it, but
I'm smiling.

I'm doing my part
to stop the spread.

You might
not see it, but
I'm smiling.

I'm doing my part
to stop the spread.

You might
not see it, but
I'm smiling.

I'm doing my part
to stop the spread.

You might
not see it, but
I'm smiling.

I'm doing my part
to stop the spread.
