As a follow up to the teleconference held last week, we have attached a list of Frequently Asked Questions that the Federal CDC has received from immunization programs and providers. If you have additional questions, please contact the Maine Immunization Program at: (207) 287-3746 or (800) 867-4775.

As always, thank you for your commitment to keeping Maine's children free of vaccine preventable disease.
