

Update on Selected Priorities and Activities since the 2022 Community Health Needs Assessment - Aroostook County

In response to the 2022 Community Health Need Assessment (CHNA) along with community input, hospitals and local districts developed their own three-year strategies and plans. Below are these organization’s updates on their selected priorities and activities since the 2022 Community Health Needs Assessment. The Community Action Programs developed their plans in response to community input and their 2022 Community Needs Assessment. One full year of implementation has taken place to date in 2023, 2024 implementation work is currently underway with 2025 work on the horizon for implementation activity on these identified priorities.

For a number of organizations listed in this document priority work spans across multiple counties throughout Maine though their physical location may be in one county.

Priority	Activities	Partners	Key Accomplishments
Organization – Aroostook District Public Health			
<p>Information on the Aroostook Public Health District activity can be found at: http://www.maine.gov/dhhs/mecdc/public-health-systems/lphd/district8/shtml Contact: Stacy Boucher, Aroostook Public Health District Liaison 207-493-4087 or stacy.boucher@maine.gov</p>			
Organization - Aroostook County Action Program			
Childcare	In 2023: Increase access to behavioral health services at 2 sites in Aroostook County	Valley Unified Schools and Maine ECCP	ACAP partnered with Valley Unified Schools and through access to the Maine Early Childhood Consultation Partnership to support education staff and enrolled families in behavioral health supports.
	In 2024: Partner with local and state Early Childhood Education (ECE) professionals to support the coordination of a local ECE conference. Increase sustained, high quality child care and early childhood education through supports to at least one community based child care provider. (First 4ME) All ECE staff will have a professional development plan.	Aroostook Childcare Advisory	ECE conference held June 1st in the county. F4Me staff are working with one provider and SAU for the Year 1 pilot. Also secured two additional providers in the county for Y2 with additional Professional development supports for all community providers for ongoing training. ECE leadership continues to ensure that all staff have a detailed PDP and is monitored for compliance on a monthly basis.

Priority	Activities	Partners	Key Accomplishments
Housing	<p>In 2023: Advance development of supportive housing project.</p> <p>Decrease number of individuals experiencing homelessness by 10.</p> <p>Increase home safety improvements that allow 575 individuals to remain in their homes.</p>	MaineHousing, City of Presque Isle, Devoe Construction, Local landlords	<p>Constuction started on supportive housing project.</p> <p>Housing stability team was able to assist 35 individuals in obtaining safe and affordable housing.</p> <p>Provided home safety services to 677 individuals.</p>
	<p>In 2024: Establish and rebuild partnerships with 25 landlords to assist with future housing opportunities. Attain and retain 100% occupancy at Edgemont supportive housing complex. Evaluate structure and oversight of agency housing related programs and develop sustainable structure. Provide RentSmart curriculum training to 75% of tenants and 50% of HPRC residents to improve housing outcomes for those experiencing housing instability. Increase home safety improvements that allow 125 individuals and families to remain in their homes.</p>		<p>To date 7 landlords have been added to the willing to work with ACAP and their customers list. With the delay in construction, we have not been able to open our supportive housing complex yet. We are anticipating a July 2024 opening. With some organizational changes with supervisors in energy and housing, this task has not been addressed yet. We have been able to improve 114 households consisting of 231 individuals able to stay in their homes safety.</p>
	<p>In 2023: Improve customer voice (youth) Increase oral health screenings by 200 county-wide</p>		<p>Partnered with 8 public schools to implement evidence-based curriculum and provide support on restorative practices. Provided a total of 4,591 dental screenings across Aroostook.</p>

Priority	Activities	Partners	Key Accomplishments

Organization - Cary Medical Center

Cancer	<p>In 2023 Cary Medical Center and Pines Health Services provided smoking cessation kits, and promoted low-dose CT screening as well as other screenings like mammography and colonoscopies. Screen Aroostook was also an avenue to education on radon and lung cancer risk. We also continued to grow the Pink Aroostook program and hosted several fundraisers and events for breast cancer support in the County. We hosted a cancer support group. PSAs and advertising through local media and social media aired highlighting new screening equipment like our CT and MRI, as well as the importance of regular screenings and check-ups for early detection. Dr. Elena Vagia, oncologist joined the Jefferson Cary Cancer Center. We have also increased promotion of the Maine CDC Breast and Cervical Health Program.</p>	<p>Jefferson Cary Foundation, Screen Maine, DHHS, Maine Cancer Foundation, American Cancer Society, National Breast Cancer Coalition, Jefferson Cary Cancer Center, and the Maine Breast & Cervical Health Program.</p>	<p>We created tobacco cessation kits that have resources and nicotine replacement therapy, and provided them to Pines patients and staff that indicated they wanted to quit. Several hundred kits have been distributed. Our low-dose CT scan numbers have dramatically increased helping people who have smoked or are smokers detect cancers earlier. We supported more than 20 breast cancer patients through Pink Aroostook and provided almost \$10k in support for their travel, bills, medication, prosthetics, etc. Tim Horton's selected Pink Aroostook as the charity of choice for their smile cookie campaign in Aroostook. Pink Aroostook also hosted the Tea of Hope for survivors.</p>
--------	--	---	---

Priority	Activities	Partners	Key Accomplishments
	<p>In 2024 Cary and Pines continued to provide smoking cessation kits and promote the importance of cancer screenings and early detection. We applied for additional grants for radon education and kits, and continue to promote low-dose CT. Pink Aroostook is partnering closely with the Jefferson Cary Cancer Center on new resources for patients. Pink Aroostook has also grown with the number of patients seeking support.</p>	<p>Jefferson Cary Foundation, Screen Maine, DHHS, Maine Cancer Foundation, American Cancer Society, National Breast Cancer Coalition, Jefferson Cary Cancer Center, and the Maine Breast & Cervical Health Program.</p>	<p>Cary and Pines were both recognized with at the Platinum level for the Gold Standards of excellence program in Maine for Breathe Easy. Tim Horton's once again selected Pink Aroostook to receive the Aroostook County smile cookie donation funds.</p>
<p>Behavioral Health (mental health / substance abuse)</p>	<p>In 2023 Cary Medical Center is partnering with ACAP on the MESUPS grant to continue to provide substance use prevention programming. We promoted safe storage of medications, national drug take back days, and continued educational campaigns on substance use prevention. Cary's Power of Prevention program updated and distributed the comprehensive directory of substance abuse and addiction services. MAT and suboxone therapy is now offered at Pines. Narcotics prescription contracts in the Cary ED and Pines. We have been promoting 9-8-8 and other suicide prevention programs and resources through social media and education campaigns. Education provided at health fairs and health promotion events.</p>	<p>ACAP, Center for the Advancement of Rural Living, Caribou Police Dept., Aroostook County Sheriff, Roads to Recovery Community Center, and Recovery Aroostook</p>	<p>We continue to support the two recovery houses in Caribou. Staff members continue to teach Prime for Life in the Aroostook County Jail and in local schools. The jail program has been very successful and receives accolades from the Sheriff's office and partner organizations. Dr. Samuela Manages and Jodi Cote, PMHNP-BC are providing evaluation, treatment, and management for substance use recovery. They aim to provide comprehensive treatment and care for in-patient and out-patient substance use care. Through the MESUPS grant we also distributed lock boxes and information on safe storage. We also partnered with local businesses on the sticker shock alcohol awareness program to help prevent underage drinking.</p>
	<p>In 2024 we continue our partnership with ACAP on the MESUPS grant which includes safe storage promotion, Prime for Life classes and additional prevention outreach programs. Dr. Manages and Jodi Cote continue building the MAT and suboxone therapy program through Pines. Suicide prevention campaign for older adults and lethal means prevention education is in development for the next quarter. Education provided at health fairs and health promotion events.</p>	<p>ACAP, Center for the Advancement of Rural Living, Caribou Police Dept., Aroostook County Sheriff, Roads to Recovery Community Center, and Recovery Aroostook.</p>	<p>The Prime for Life class is still being offered in the County jail. The partnership with ACAP and Cary on the MESUPS grant was renewed and is going strong. A new evidence-based program on media and its impact on substance use will be introduced in the schools this fall. Gun locks and suicide prevention materials will be available at the Cary security desk for free.</p>

Priority	Activities	Partners	Key Accomplishments
Access & Affordability	<p>In 2023 Cary and Pines provided financial assistance to patients in need and ensured price transparency. Cary and Pines work together and with partner medical organizations to provide seamless care and ease of access to care for patients. The Seniority program offers access to annual labs and educational lunch and learns. Helped promote the library's telehealth program for access to telehealth appointments with tech support. Hosted the health fair with free screenings, flu shots, and information from partner organizations. The Age Friendly Caribou program is hosted by Cary and provides resources, programs, and connection through the community.</p>	<p>Aroostook Agency on Aging, Caribou Area Ride Service, Maine DHHS, AARP network of Age Friendly Communities, and Lifelong Maine.</p>	<p>Financial assistance and transparency is a priority, and financial counselors are available and resources are posted online and in patient packets. MyChart allows Pines patients to get financial information and easily connect with providers on appointments, medical questions, and prescription. Prescription assistance program is offered at Pines as well as the care coordinator program to help patients connect with specialists and support services. Age Friendly Caribou falls under Cary and has helped promote and develop new dementia-friendly programs and education. Our free flu shots are offered in five communities. We continue to participate in local health fairs and school wellness days to provide free screenings, fitness programs, and nutrition education.</p>
	<p>In 2024 Cary and Pines continue to work to provide seamless for patients. The Seniority program offers access to annual labs, a health and wellness newsletter, and educational lunch and learns. We are planning our annual health fair, new talk with a doc lunch and learns, and more programs with Age Friendly Caribou. Our financial resources and support services are still available.</p>	<p>Aroostook Agency on Aging, Caribou Area Ride Service, Maine DHHS, AARP network of Age Friendly Communities, and Lifelong Maine.</p>	<p>Cary specialty clinics moved to a larger space at the Caribou Health Center for easier access for patients. This also allows for more specialists to be in the office at the same time. Our financial counselors have moved to a new location in the hospital for easier access for patients. We are partnering more with the Caribou Area Ride Service to help older adults get access to rides to appointments. We continue to promote our specialty services and newer services like Cardiac CT, which can prevent patients from having to travel downstate for invasive procedures.</p>

Priority	Activities	Partners	Key Accomplishments
	<p>In 2023 Cary Medical Center's diabetes education program provided resources and information for patients. The Healthy You program of Cary offered wellness programs to get people exercising, manage stress, and get access to trusted health information online. Health fairs, school events, and Age Friendly Caribou programs allowed people to make connections in the community while engaging in healthy activities. Cary and Pines continue to sponsor healthy programs and activities like 5ks, bike events, rec sports programs, little league, and more. We work with local businesses to provide wellness resources and encourage their employees to engage in healthy choices.</p>	<p>Caribou Parks and Recreation, Healthy Living for ME, Aging Maine GWEP, Lifelong Communities Maine, Aroostook Agency on Aging, Nurture by Nature ME, and RSU 39.</p>	<p>The Caribou Community Garden was launched, and Age Friendly Caribou was a key partner with the City and Nurture by Nature. Eat Mediterranean diet classes were held to help educate people on this healthier lifestyle choice. 100 miles in 100 days was a success with more than 6000 miles being logged. Participants received a weekly newsletter with tips on exercise and wellness. The Caring Together magazine is a publication from Cary and Pines and has information on health, wellness, news, and more that is inserted in all of the local newspapers.</p>
Healthy Living	<p>In 2024 for Cary's 100th anniversary we have been sponsoring and hosting events that promote wellness in celebration of 100 years of caring and creating healthier communities. Healthy You and Age Friendly Caribou also continue to host programs that promote wellness and connection in the community.</p>	<p>Caribou Parks and Recreation, Healthy Living for ME, Aging Maine GWEP, Lifelong Communities Maine, Aroostook Agency on Aging, Nurture by Nature ME, and RSU 39.</p>	<p>100 Days of Wellness was a social media campaign with Healthy You that provided resources, tips, and support through 100 days. 100 miles in 100 days is going strong again and coming to a close soon. Cary partnered with the Caribou Rec on Caribou Cares About Kids to provide games, entertainment, and gave out 1,000 Frisbees and chalk at the parade. The Caring Together magazine is still a great resource for health information and news from Cary and Pines. Seniority has hosted several lunch and learns on Eat Mediterranean, dementia support, and more. Cary and Northern Light AR Gould partnered on two spring healthy aging luncheons and will be partnering on two more this fall.</p>

Organization - Houlton Regional Hospital

Priority	Activities	Partners	Key Accomplishments
Mental Health and Substance Use	In 2023, Houlton Regional Hospital worked closely with other community care partners to respond to the needs of those in need of mental health and substance abuse services.	Primary Care Providers, DHHS, AMHC, Bangor Public Health, local groups, law enforcement and other area Social Service/Case Management Agencies	Quarterly meetings were established to address the needs of individuals and to provide better access to mental health treatment for the people of our service area. Additionally, we continue our support of Medication Assisted Treatment programs and the Cradle ME
	In 2024, we formed closer working relationships with area treatment facilities for individuals with mental health needs	Acadia Hospital, Northern Maine Medical Center	Increased communication has led to better care coordination and transfer when needed, for children and adults with mental health needs.
Social Determinants of Health	In 2023, Houlton Regional Hospital worked with other community partners to improve the overall health and well being of the communities we serve.	Katahdin Bank, FA Peabody Company, Bangor Savings Bank	With our partners, we planted a community garden that allowed us to distribute approximately 130 bags of fresh vegetables to those in need.
	HRH worked with our community partners to increase access to health care.	Aroostook Agency on Aging, AR Gould, Northern Maine Medical Center, AMHC, APHC, Cary Medical Center, Catholic Charities, Healthy Living for ME, Houlton Band of Maliseet Indians, KVHC, UMPI	Participated in the Aroostook County Health Improvement Project. ACHIP has identified key areas of support needed in our communities to include transportation and "community belonging."
		Bridge to Hope Committee	Participated in the Bridge to Hope Fund Raiser
	In 2024, we have been continuing our efforts to support the food needs of our community.		
Senior Adult Health	In 2023, we explored avenues that would improve access to healthcare for our senior population	Madigan Healthcare Gardiner Healthcare, Crestview Manor, Northern Light Home Health, Aroostook Home Health/Valley Home Health Services, ACHIP	Collaborative has led to improvement in meeting patient care needs.
	In 2024, the collaboration continued		Maintain working relationships with our partners, including participation in ACHIP subgroups on Transportation and Belonging. This work has led to additional service by ARTS from Houlton to Presque Isle for medical care not provided in our community.
