

Maine Center for Disease Control and Prevention WIC Nutrition Program

Effective: October 1, 2011

Policy No. FM-14

Revised: October 1, 2021

Program Income

Authority

7 CFR §246.15

2 CFR §200

Policy

1. Local Agencies shall add program income to the program budget and use program income to further WIC program objectives in accordance with federal regulations.
2. Program income shall be spent only on WIC-related activities/expenditures.
3. Local Agencies shall identify and report this income utilizing the forms and timeframes specified in Policy No. FM-7, State and Local Agency Access to Funds.
4. Local Agencies shall expend program income during the contract term in which it is earned and may not carry it forward to the succeeding term.
5. Program income not expended in the term in which it is earned shall be refunded to the State Agency.
