## List of Point Of Sale (POS) Providers/Value Added Resellers (VARs)

Disclaimer: This is not an endorsement of any Reseller's system. This list is being provided as a reference for those stores whose cash register system is not eWIC capable. Stores will need to investigate and independently confirm with a company that the hardware, software, version etc. will support eWIC transactions

**\*Those with an asterisk have been Level 3 Certified in Maine.**

All other Resellers have systems that have been certified in other states.
