Notes:

All Data are subject to revision as newer data are made available.

n/a Data not yet available.

^aFetal death rate calculated based on all reported terminations of pregnancy, regardless of gestational age. In 1973, 12.0% of such terminations were for fetuses of less than 20 weeks gestation.

^bFetal death rate calculated based on reported fetal deaths of gestational age 20 weeks or more.

^cOccurrence data. Same sex marriage became legal December 2012.

^dRate per 1,000 live births in the same year.

All data for births and deaths pertain to Maine residents only, starting in 1935. Data on marriages and divorces describe all such events which *occurred in Maine.

** Preliminary data.

[revised 7/2019]
