NOTES:

Population size for groups giving birth in Maine are taken from the Maine Vital Statistics System unless otherwise noted. Unknowns are excluded from all tabulations.

* Survey Question 23b: During any of your prenatal care visits, did a doctor, nurse, or other health care worker talk with you about how smoking during pregnancy could affect my baby?

** Estimates of the population size for this group giving birth in Maine are made through PRAMS.

^ Estimate of Hispanic population giving birth in Maine is taken from the 2014 birth file.

There were fewer than 10 survey respondents to this question. Data may be unreliable for describing this group, therefore percent is not reported.

CI = 95% Confidence Interval
