Detection of *Campylobacter* by Culture

Laboratory Submission Information Sheet

Reporting of suspect case to Maine CDC	<ul style="list-style-type: none">• Yes: <i>Campylobacter</i> is a Notifiable Condition. If you have not already done so, please report suspect or confirmed cases to the Maine CDC via the disease reporting line: 1-800-821-5821 (24hrs/day 7 days/week.)
Required To Submit Laboratory Specimen	<ul style="list-style-type: none">• NO• HETL requests isolates/suspect isolates for both speciation and Whole Genome Sequencing to assist in epidemiological investigations
Required Information	<ul style="list-style-type: none">• Information on requisition must include: suspected organism if known or required, patient name, DOB, date of collection, specimen source or type, submitter name and contact information.• Important: all specimens must be labeled with patient name and be accompanied by a HETL requisition.
Specimen Requirements	<ul style="list-style-type: none">• Stool samples in Cary-Blair• Raw stool• Isolates
Collection Instructions	<ul style="list-style-type: none">• Isolates: send on appropriate biological growth media, preferably in a gas pack• Stool: If possible, collect before start of treatment. Specimen may be raw stool, or stool in Cary-Blair. Samples in Cary-Blair must arrive at the laboratory within 48 hours of collection. Raw stool samples must be transported to lab within 2 hours of collection. Ship samples at ambient temperature, raw stool must be shipped cold
Turn Around Time	<ul style="list-style-type: none">• Clinical isolate results are generally available within 2-10 days of specimen receipt.• Samples requiring culture and isolation may extend turn-around-time by 72 hours•
Unacceptable Conditions	<ul style="list-style-type: none">• Specimens received without a form and clinical details or with insufficient material to analyze.• Specimens in poorly labeled/unlabeled or leaking containers.• Raw specimens not refrigerated or frozen, or not received in the lab within 2 hours
Results	<ul style="list-style-type: none">• Report will include species identification.• Results will only be reported to the submitter listed on the requisition
Laboratory Testing Fee	<ul style="list-style-type: none">• \$50.00 (Fee waived if testing/identification is part of an outbreak investigation by Maine CDC)
Applicable CPT Codes	<ul style="list-style-type: none">• 87077 (culture)
Additional Information	<ul style="list-style-type: none">• Bacteriology at 207-287-1704• Virology, Respiratory, Arbovirus, Serology, and STI at 207-287-1722• Molecular Biology, Sequencing, and Foodborne at 207-287-5769• Mycobacterium and Rabies at 207-287-1706
