

**ACEs-Resilience Workgroup  
Central District Coordinating Council  
April 22, 2019, 2:30 - 4:00pm  
UWMM, Waterville**

Meeting purpose:

- Help MCH plan and implement district TBRI (Trust-Based Relational Intervention) trainings (DPHIP Implementation funding), start outreach
- Learn about MRBN 2019+ initiatives and opportunities for collaboration
- Share knowledge, build connections, and strengthen relationships to prevent ACEs, heal trauma, and promote resilience in the district

**Agenda**

- **Welcome, meeting agenda & purpose, materials**
- **ACEs-Resilience work updates from workgroup members**
- **Maine Children’s Home ACEs/Resilience/TBRI training planning – Rick Dorian**
- **Available Training Resources handout**
- **Next steps and anyone else to include?**

Our Vision: A healthy population served by comprehensive, well-coordinated, public health services

Our Mission: The DCC is a representative, district-wide body authorized by the Maine Center for Disease Control and Prevention to engage in collaborative planning and decision-making for essential public health services at the district level.

It serves to mobilize working partnerships in which efforts and resources are combined within the district to produce results that no one community, organization, or sector could achieve effectively or efficiently alone.
