

1st Virtual Series Event 2020

With Speaker *Tanya Lord*

November 5th 12-1:30 PM

Putting the Pieces Together: Whole Person Care, Implicit Bias, and Stigma Reduction

Event Description:

This presentation will provide participants with a background to understanding whole-person care. Her presentation will focus on understanding how biases impact the ability to engage in partnerships of care. She will discuss the concepts to reduce stigmatizing behavior toward patients, families and co-workers and engage the audience in developing personal and professional humility as it relates to learning about and caring for patients and families.

About Tanya Lord:

Combining her expertise in Quality Improvement and a passion for including all healthcare stakeholders, Tanya is the Director of Patient and Family Engagement at the Foundation for Healthy Communities in Concord, NH. Tanya works with all NH hospitals as they partner with patient and families to improve care. Tanya was formally PFE Subject Matter Expert with the AHA HRET HIIN project that works with 36 hospital associations and their hospitals. She is a sought-after national consultant, workshop and keynote presenter. Tanya's passion, initiated by tragedy, is sustained by hope for a safer healthcare system.
