

COVID-19: Please send us your updates!

March 27, 2020

Hello partner agency,

Due to the spread of COVID-19, many agencies offer limited services, have their staff working remotely from home, or changed to offering telehealth or virtual services.

We want to keep the community well informed of services available when contacting our 211 Contact Center.

Please click to complete [this form](#) OR send updates to resources@211maine.org and let us know:

- **Name of organization**
- **Phone number**
- **Current hours of operation**
- **Services currently provided** (i.e. confirmation of services you are continuing to provide, services that are currently suspended, changes to existing programs)
- **Ways to access your services**
- **Website**
- **Contact person's name, number, and email**

If your agency provides food/meal deliveries or services for vulnerable populations, please let us know. Thank you for your help!

211 Maine will continue to be accessible 24/7/365 during COVID-19
