

Mental Health and Substance Use Recovery Resources

COVID-19 – SAMHSA Region 1

Key Message points:

1. We are **concerned** about people with mental illness and substance use disorders.
2. Substance Use Disorder **Treatment services are still open**. Medications like methadone and buprenorphine continue to be available either at Opioid Treatment Programs or through your prescribing physician.
3. **If you are in crisis** and need immediate help – please call 911. If you or someone you know is thinking about suicide—whether you are in crisis or not—call [1-800-273-TALK \(8255\)](tel:1-800-273-TALK).
4. Many have lost access to daily meetings and activities that help them sustain their recovery. While staying at home is important, **there is no need to isolate** - using the phone and computer to stay in touch with your support network is important. Online meetings and other resources are available. *(provide an easy to access webpage and populate with links below)*
5. Mental Illness and Addiction are chronic diseases with the potential for both reoccurrence and long-term recovery. **Staying connected and helping each other** is critical.

Online and Virtual Recovery Support Resource List

For those with **mental health conditions**, the [NAMI HelpLine Coronavirus Information and Resources Guide](#) may be helpful if you need information about the pandemic or are looking for support, warm lines, etc.

National **Domestic Violence** Hotline [1-800-799-SAFE \(7233\)](tel:1-800-799-SAFE). When survivors are forced to stay in the home or in proximity to their abuser, it can create circumstances where their safety is compromised. The Hotline provides lifesaving tools and immediate support to empower victims and survivors to find safety and live free of abuse. They also provide support to friends and family members who are concerned about a loved one.

Hazelden Betty Ford: “[Tips for Staying Connected and Safeguarding Your Addiction Recovery](#)” contains online support meetings, podcasts/blogs, mobile apps, social media groups, and movie/video suggestions. HBF also has [The Daily Pledge](#) which is an online support community with chat rooms and places to hang out virtually with friends in recovery.

Shatterproof: “[How I’m Coping with COVID-19 and Social Isolation as a Person in Long-Term Recovery](#)” provides helpful suggestions of what to do (exercising, reaching out, praying, meditating, focusing on my breathing, listening to music, doing projects you’ve been putting off) and NOT to do (monitor time on social media, negative self-talk, eat too much unhealthy food, watch the news 24/7).

12 step groups using various virtual platforms for meetings

If you're looking for helpful information about setting up a virtual meeting via Zoom, Google Hangouts, and FreeConferenceCall: <https://www.nyintergroup.org/remote-meeting-listing/help-setting-up-online-meetings/#zoom>

This information is specific to setting up a Zoom meeting:

To host a meeting on zoom:

1. Set up a free account here: <https://zoom.us>
When you set up a free account, you can only host a meeting for 45 minutes. To host longer meetings, you need a paid account (\$120 a year or about \$18/month).
2. How to schedule a meeting (the video is the most helpful): <https://support.zoom.us/hc/en-us/articles/201362413-Scheduling-meetings>
3. How to invite people to join a meeting : <https://support.zoom.us/hc/en-us/articles/201362183-How-do-I-invite-others-to-join-a-meeting->

Simple zoom use instructions:

- Menu bar is at the bottom of the screen when you are in zoom on a computer, at the top on a mobile device.
- Use Mic and Video icons to turn on mic and camera.
- Click on Up Arrow located to right of microphone icon to test speakers and microphone on your computer.
- Host can use Manage Participants Icon to see who is online and mute people if needed, including muting everyone.
- Chat Icon can be used by participants to communicate via chat
- Use Gallery View/Speaker View at the top right to flip between seeing just the speaker and seeing everyone in the meeting.
