

PMP GATEWAY

THROUGH APPRISS HEALTH

INTEGRATE MAINE'S
PRESCRIPTION MONITORING
PROGRAM (PMP) WITH YOUR
ELECTRONIC HEALTH RECORD
PLATFORM OR PHARMACY
MANAGEMENT SYSTEM

About PMP Gateway

PMP Gateway™ enables access to data, analytics, tools and resources from the PMP within care team workflows in real-time, at point-of-care, to improve patient safety and outcomes. It is a managed service platform that provides comprehensive connectivity, clinical decision support, patient support, patient engagement and care team coordination that interoperates with PMP InterConnect, PMP AWARDx, NarxCare and Leading EHR platforms and pharmacy management systems.

PMP InterConnect™

Facilitates the transfer of PMP data across state lines and the access to multi-state data. Maine will continue to expand data sharing collaboratives with other states, territories and Canadian provinces.

PMP AWARDx™

Prescription monitoring solution providing accurate, real-time, regulation compliant data.

NarxCare™

Premier platform for addressing substance use disorder (SUD).
