August 2019

Dear Provider,

MaineCare providers wishing to receive the primary care increase must fill out and submit the attached PCP Increase Self-Attestation form. Please note that Hospitals, Federally Qualified Health Centers, and Rural Health Clinics are not eligible for the increase, so hospital-based physicians and physicians providing services with an FQHC or RHC pay-to should not attest. The increase will not occur until we have approved your form, but once approved, the increased payments will be retroactive to the date that this form was signed.

By completing the form, a provider attests that s/he is practicing with a specialty designation of (a) Family Medicine, (b) Internal Medicine, or (c) Pediatric Medicine.

Eligibility for the increase is limited to qualified Physicians¹ and Advanced Practice Professionals (APPs)² practicing under their direct supervision.³ The supervising Physician must attest on behalf of any APPs they supervise and are responsible for (i.e., APPs should not attest themselves).

Please return this form by fax to (207) 287-8682

DHHS, Office of MaineCare Services, Attn: Tia Bolduc, 11 SHS, Augusta, ME. 04333-0011

Your provider file will be updated once we have approved your form, and we will send you a confirmation via email. If you have any questions, please contact Tia Bolduc at (207)624-6938.

Sincerely,

Michelle Probert
