Zoom (see Zoom information at the end of the Agenda)

AGENDA:

- Welcome & Introductions – Kathy Kilrain del Rio (15 min)
 - NOTE: This month we will share brief introductions consisting of our names, pronouns, and organizations. Any additional information you want to share related to the current public health emergency should be discussed within an existing agenda item for this meeting or our next meeting.
- Presentation from Myers & Stauffer (M&S) on the rate system evaluation (30 min)
- DHHS Updates related to COVID-19 – Michelle Probert & Esther Bullard
 - Various Program Updates (10 min)
 - Data on enrollment (5 min)
 - Have we met enrollment numbers projected for expansion?
 - What does enrollment look like since the public health emergency began?
 - Status of dental health care since the public health emergency began (5 min)
 - Telehealth (we will have more time for this on the August agenda) (5 min)
- Rulemaking/Waivers/SPA Packet – William Logan (10 min)
- Discussion around per member per month payments – Michelle Probert (5 min)
- Clarification for the MaineCare coverage of testing – Molly Slotznick (5 min)
 - Can people covered by full MaineCare, Emergency MaineCare, or the testing category for people who are uninsured get tested at pharmacies like CVS and Walgreens or other testing sites without first seeing a primary care provider?
 - Is there a limit to how often someone in one of those coverage categories can get tested when they have been exposed, but are without symptoms?
- Coverage for electrolysis/hair removal under transgender services (5 min)
- Non-emergency transportation- Molly Slotznick (5 min)
 - DHHS had been looking at ways to improve non-emergency transportation. Is that work continuing given the public health emergency?
 - Are there changes in the works?
 - Is there a way to make it easier for people without a home address or who need to be picked up from somewhere other than their home address to still get a ride?
