SNAP – Food Supplement Program – nutrition assistance

- Households will receive the maximum benefit for their household size from April 2020 through March 2021.
- Households that receive a maximum benefit or minimum benefit amount will receive an increase of 15% for January through September 2021.
- Applications, recertifications, and six-month reports can be signed over the phone.
- The Worker Supplement Benefit (WSB) was increased from \$50 to \$100 monthly through June 2021.
- Waiving interviews for applications and recertifications is now a state option effective through at least June 2021.
- Students who have been approved for federally funded work study or who have an Estimated Family Contribution (EFC) of \$0 per the [EFC Formula Guide](#) may be eligible for Food Supplement.

MaineCare – Medicaid - medical assistance

- Most child or adult coverage will remain open during the national public health emergency.
- Verbal verification (self-attestation) is allowed for most requirements.
- No premium payments for programs with premiums.

TANF – Temporary Assistance for Needy Families – cash assistance for families

- Extensions beyond the lifetime 60 months limit will be granted through the civil emergency.
- Families that have already used 60 months of TANF can reapply and be granted extensions if otherwise eligible.
- No in-person interviews or program orientation will be required.
- No family will be sanctioned for ASPIRE non-compliance during the civil emergency.

Important reminders

- The General Assistance hotline number is **1-800-442-6003**.
- It is always possible for a SNAP participant to allow another trusted person to use their EBT card to purchase groceries for their SNAP household. That person just needs the card and pin number.
- Stay in touch with OFI online or by phone and report changes to your situation when they occur.
