MaineCare's Comprehensive Rate System Evaluation: Phase 1 Stakeholder Engagement September 30, 2020

Each Phase 1 meeting is scheduled for three hours to ensure that stakeholders have the opportunity for meaningful participation. The meeting agenda will follow the structure outlined in the [discussion questions guide](#), with each stakeholder having the opportunity to provide their input on each question within the allotted time before moving to the next topic. We request that participants plan to attend for the full three hours, if needed, so they will have the chance to answer all of the questions. We encourage providers to review the discussion guide prior to their meeting(s) and come prepared with comments.

As a reminder, these meetings will **not** involve discussion of actual reimbursement rate **amounts**, but instead will provide you with the opportunity to provide feedback on the impact of current MaineCare payment methodologies on service delivery, administration, and members. During Phase 2, stakeholders will have an opportunity to provide input regarding rate **amounts**, when we will be gathering feedback on the Phase 1 benchmark report and on the adequacy of rates and access to services in general.
