8.10 Primary Buyer Permit Reporting

C. Additional data elements and requirements for specific fisheries:

2. Herring: must report document or serial number of harvester report; and price/lb or total value on a trip level basis.

Any Primary Buyer shall report weekly to the Department's Landings Program. Reports required in this section must be submitted electronically to DMR using an approved electronic format, such as the Standard Atlantic Fisheries Information System (SAFIS), file uploading, or Trip Ticket software. The reporting week begins on Sunday at 0001 hrs (12:01 AM) local time and ends Saturday at 2400 hrs (12:00 midnight). Reports must be submitted by midnight Tuesday, three days after the end of each reporting week. Dealers who want to make corrections to their trip-level reports may do so for up to 3 business days following submission of the initial report. If a correction is needed more than 3 business days following the submission of the initial trip-level report, the dealer must contact DMR directly to request an extension of time to make the correction.

Dealers must provide the following information:

1. Dealer ID
2. Trip start date
3. Landing date
4. Harvester ID
5. Vessel ID (Hull ID)
6. Gear Type
7. Species, market size and grade
8. Quantity and unit
9. Disposition
10. Daily price per unit
11. Port landed

8.20 Harvester Reporting

M. Intentionally blank Menhaden Harvester Permit

Any person that holds a Commercial Pelagic and Anadromous Fishing License issued under 12 M.R.S. §6502-A and a Menhaden Harvester Permit under that license must submit daily catch reports during the state and episodic fisheries; and, weekly catch reports during the small scale fishery. Catches from fixed gear must be included in these reports. Any person that holds more than one Commercial Pelagic and Anadromous Fishing License with the Menhaden Harvester Permit must report for each license they hold. Reports are required even if the menhaden caught during the week have not been landed. The report shall include the following data elements:

1. Harvester name (as it appears on the harvesting license) and landings number
2. Boat name and state vessel registration number or Coast Guard number (if a boat was used)
3. Designate negative report period if no harvesting activity occurred
4. Date fished & landed
5. Number of crew (including captain)
6. Gear type and quantity
7. Number of sets/tows
8. Set time (the average time your gear fished)
9. Average depth
Menhaden reports are not required from menhaden carrier vessels.

**R. Herring Harvester Permit**

Any person that holds a Commercial Pelagic and Anadromous Fishing License issued under 12 M.R.S. §6502-A and a Herring Harvester Permit under that license must submit daily weekly catch reports during June 1 and September 30; and, monthly outside of the season. Catches from fixed gear must be included in these reports. Any person that holds more than one Commercial Pelagic and Anadromous Fishing License with the Herring Harvester Permit must report for each license they hold. Reports are required even if the herring caught during the week have not been landed. The report shall include the following data elements:

1. Harvester name (as it appears on the harvesting license) and landings number
2. Boat name and state vessel registration number or Coast Guard number (if a boat was used)
3. Designate negative report period if no harvesting activity occurred
4. Date fished & landed
5. Number of crew (including captain)
6. Gear type and quantity
7. Number of sets/tows
8. Set time (the average time your gear fished)
9. Average depth
10. Latitude and longitude
11. Sea time (including travel)
12. Pounds by species of all species caught (including discards)
13. Landings number of dealer sold to, or if not sold to a licensed dealer, disposition of catch and whether catch was carried
14. Port landed
15. Signature written or electronic

The reporting week begins Sunday at 0001 hrs (12:01 am) and ends Saturday at 2400 hrs (midnight). Weekly Atlantic herring catch reports must be submitted by midnight Tuesday for the previous week. The weekly report does not exempt the license holder from their Commercial Pelagic and Anadromous Fishing license report (in section P above). Atlantic herring reports are not required from Atlantic herring carrier vessels.
