Shellfish Harvesting Area Classification-Notification of Changes

July 27, 2018

Ladies and Gentlemen:

Under the authority of 12 M.R.S.A. § 6172; the Commissioner has made the following classification change to Area No. 53-H, South Addison and vicinity (Addison): This notice reclassifies the area by Causeway Beach (Addison) from Prohibited to Approved due to a pollution point source being remediated and water quality meeting approved standards. All existing pollution and biotoxin closures remain in effect.

The boundary descriptions of the area are as follows (struck text is being removed and underlined text is being added):

- A. Effective immediately, because of pollution, it shall be unlawful to dig, take or possess any clams, quahogs, oysters or mussels from the shores, flats and waters of the following Prohibited area(s):
1. Eastern Harbor (Addison): east of a line beginning at the north mouth of Otter Cove, then running northeast to the east tip of Dyer's Island, then running north to the east mouth of an unnamed cove immediately west of Harbor Hills.
 2. Cape Split (Addison): north of a line starting at the south tip of Eastern Pitch and running northwest approximately 525 yards to the southern tip of an unnamed point.
 3. ~~Causeway Beach (Addison): east of a line beginning at a red painted post located on the shore of an unnamed point approximately 70 yards west from the north end of the causeway connecting Cape Split and the mainland then running approximately 585 yards south to a red painted post on the shore of an unnamed point located approximately 85 yards northwest from the end of the Gilman Wass Rd on the Cape Split side of the causeway.~~
- B. Effective immediately, because of pollution, it shall be unlawful to dig, take or possess any clams, quahogs, oysters or mussels from the shores, flats and waters of the following Restricted area(s) without a special MDMR permit:
1. Mash Harbor (Addison): east of a line beginning at a red painted post located on the south shore of the cove approximately 300 yards from the head of the cove; then running north to a red painted post located on the north shore of the cove approximately 300 yards from the head of the cove.
