Shellfish Harvesting Area Classification – Notification of Changes

April 29, 2022

This notice is in effect until repealed or replaced.

Under the authority of 12 M.R.S.A. § 6172; the Commissioner has made the following changes to Growing Area EK, Dyer Point (Steuben) to Petit Manan Point. This notice changes the Restricted area in Dyer Harbor (Steuben) to Approved due to water quality meeting approved standards and changes the Prohibited area to Restricted due to water quality meeting restricted standards and no pollution point sources. An interactive map that allows the user to zoom in to specific areas can be found on the ME DMR website: <https://www.maine.gov/dmr/shellfish-sanitation-management/maps/index.html>. All existing pollution and biotoxin closures remain in effect.

The boundary descriptions of the area are as follows (struck text is being removed and underlined text is being added):

Prohibited: Effective immediately, because of pollution, it shall be unlawful to dig, take or possess any clams, quahogs, oysters, mussels or whole or roe-on scallops taken from the shores, flats and waters of the following Prohibited areas:

~~P1. Dyer Harbor (Steuben): northwest of a line beginning at the remains of an old pier approximately 600 yards south of the bridge crossing Dyer Brook at the head of the harbor, running northeast to the nearest point of land on the opposite shore.~~

P21. Dyer Bay (Steuben): east of a line beginning at Yellow Birch Head, running north to the western prominence of Petit Manan Point approximately 530 yards southwest of Over Point.

Restricted: Effective immediately, because of pollution, it shall be unlawful to dig, take or possess any clams, quahogs, oysters, mussels or whole or roe-on scallops (from aquaculture leases with an MOU only) from the shores, flats and waters of the following Restricted area without a special MDMR permit:

~~R1. Dyer Harbor (Steuben): north of a line beginning at the southern tip of Goods Point and running northwest to the point of land at the end of Harbor Road; AND southeast of a line beginning at the remains of an old pier approximately 600 yards south of the bridge crossing Dyer Brook at the head of the harbor, running northeast to the nearest point of land on the opposite shore.~~
Dyer Harbor (Steuben): northwest of a line beginning at the remains of an old pier approximately 600 yards south of the bridge crossing Dyer Brook at the head of the harbor, running northeast to the nearest point of land on the opposite shore.

Approved: All other shores, flats and waters not described in the above sections are Approved and it is lawful to dig, take or possess any clams, quahogs, oysters, mussels or whole or roe-on scallops (from aquaculture leases with an MOU only) when in the open status. For current status, please refer to the Biotoxin and Emergency Closure Notices on the DMR website: <https://www.maine.gov/dmr/shellfish-sanitation-management/closures/index.html>

A. Growing Area EK.
