COMMISSIONER

Shellfish Harvesting Area Classification – Notification of Changes

May 15, 2025

This notice is in effect until repealed or replaced.

Under the authority of 12 M.R.S.A. § 6172; the Commissioner has made the following change to Growing Area EN, Cape Split (Addison) to Kelley Point (Jonesport). This notice changes areas around Eastern Harbor (Addison) and Bickford Point (Addison) from Approved to seasonally Conditionally Approved due to water quality not meeting approved standards year-round. An interactive map that allows the user to zoom in to specific areas can be found on the ME DMR website:

<https://www.maine.gov/dmr/fisheries/shellfish/shellfish-closures-and-aquaculture-leases-map>. All existing pollution and biotoxin closures remain in effect.

The boundary descriptions of the area are as follows (struck text is being removed and underlined text is being added):

Prohibited: Effective immediately, because of pollution, it shall be unlawful to dig, take or possess any clams, quahogs, oysters, mussels or whole or roe-on scallops taken from the shores, flats and waters of the following Prohibited areas:

- P1. Indian River (Addison, Jonesport): north of a line beginning at the south tip of Sugar Point (Addison) running east across the river to the western tip of Noyes Point (Jonesport)
- P2. Moosabec Reach (Jonesport): north of a line beginning at the west end of Henry Point, running southwest to Coast Guard Daymark 18; then running southwest to Coast Guard Nun 18A; then running southwest to the eastern tip of Barneys Island (Beals); AND northeast of a line beginning at the eastern tip of Barneys Island then running northwest to Saddlers Point (Jonesport).
- P3. North End of Beals Island (Beals): east of a line beginning at the western tip of Indian Point running north to the eastern tip of Barneys Island; AND south of a line beginning at the eastern tip of Barneys Island running northeast to Coast Guard Nun 18A; AND west of a line beginning at Coast Guard Nun 18A running south to the eastern tip of Perio Point.
- P4. Alley Bay-Pig Island Gut (Beals): south of a line beginning at Hixey Head running northeast to the southernmost point on Sawyer Island, then running southeast to the most northeast tip of Great Wass Island.

Conditionally Approved (Rainfall, Seasonal): Effective immediately, because of intermittent pollution due to rainfall, it shall be unlawful to dig, take or possess any clams, quahogs, oysters, mussels or whole or roe-on scallops (from aquaculture leases with an MOU only) from the shores, flats and waters of the following Conditionally Approved area(s) when rainfall meets or exceeds 1" within a 24-hour period from November 1st through June 30th. Also because of seasonal pollution this area will be closed from July 1st through October 31st). For current status, please refer to the Statewide Conditional Area Closure Notice on the DMR website: <https://www.maine.gov/dmr/fisheries/shellfish/closures>.

- CA1. Indian River (Addison): north of a line beginning at the end of Rockwell Road NW running west to a red painted post on Crowley Island located approximately 850 yards southeast from the south end of the Crowley Island Bridge; AND north of a line beginning at the prominent point at the end of West River Road (Addison) running east to the northwest tip of Crowley Island (Addison); AND south of a line beginning at the south tip of Sugar Point (Addison) running east to the western tip of Noyes Point (Jonesport) (closed July 1st through October 31st).

Conditionally Approved (Seasonal): Effective immediately, because of seasonal pollution, it shall be unlawful to dig, take or possess any clams, quahogs, oysters, mussels or whole or roe-on scallops (from aquaculture leases with an MOU only) from the shores, flats and waters of the following Conditionally Approved area(s) during the closed dates:

- CA2. Bickford Point (Addison): west of a line beginning at the point at the end of "The Lane" (Addison) running south to the northeast tip of the point approximately 200 yards east of the end of Salt Breeze Way (Addison), (closed April 1st – September 30th).
- CA3. Eastern Harbor (Addison): east of a line beginning at the southwest tip of the point approximately 400 yards southwest of the intersection of Harbor Hill Lane (Addison) and Mooseneck Road (Addison) running south to the eastern tip of Jennys Island (Addison) then running south to the base of The Lobster Trap pier (Addison), (closed May 1st – August 31st).

Approved: All other shores, flats and waters not described in the above sections are Approved and it is lawful to dig, take or possess any clams, quahogs, oysters, mussels or whole or roe-on scallops (from aquaculture leases with an MOU only) when in the open status. For current status, please refer to the Biotxin and Emergency Closure Notices on the DMR website:

<https://www.maine.gov/dmr/fisheries/shellfish/shellfish-closures-and-aquaculture-leases-map>.

A. Growing Area EN.
