What is a scoping session?

A scoping session is a meeting where the applicant explains their tentative proposal to members of the public. It's an opportunity for members of the public to provide feedback on the proposal, prior to the applicant submitting a final application and an eventual public hearing. **This meeting does not determine whether the proposal will be granted.**

How to participate:

You can attend the session or contact the applicant. A copy of the draft lease application, which includes the applicant's contact information is available on DMR's website at: <http://www.maine.gov/dmr/aquaculture/leases/draftstandardapps.html>.

Submit comments: Anyone who cannot attend the scoping session may submit comments about the draft proposal to DMR. The deadline for written comments is 4:00 p.m. on Monday, January 24, 2022.

Written comments can be emailed or mailed to DMR at the address below:
