Oysters held in oyster grow cages are towed to lease DAM PI2 beginning October 1st for tracts N-NW and SW, and beginning November 1st for sse Tract. Market oysters are stored and harvested from this lease until April 30th for all tracts. All gear is towed off the lease by April 30th. This lease is used for winter harvest of market oysters.

To comply with the National Shellfish Sanitation Program (NSSP) Model Ordinance (MO), DMR is requiring that applications for the suspended culture of shellfish include a description of mitigation or deterrent measures to minimize the potential pollution impacts of birds at the site. Use the space below to list your mitigation or deterrent measures:

Most birds can be kept off gear with activity in the area, but if they become an issue, we plan on using large cable ties, sold by Ketcham Taps, which have been shown to be effective in preventing birds from landing on gear. The cable ties are 175lb rated, black, and UV treated.

Key Terms and Conditions

Compensation

Subsidiaries of Aon Corporation receive revenue in several forms. Remuneration of subsidiaries which provide insurance and reinsurance brokerage, risk management, underwriting management, captive management and benefits consulting may be received as commission paid by an insurer, fees paid by a client in lieu of, or in addition to, commission (subject to applicable legislation) and investment income on premiums, claim payments and return premiums temporarily held as fiduciary funds. In certain circumstances, one or more of these subsidiaries may also receive compensation in the following forms: commissions or fees paid to reinsurance brokerage or captive management companies for placement or management of reinsurance of a client's risk, commissions paid to a managing general agent to whom a risk has been referred for placement, fees paid for premium financing, and fees paid for performance of technical or other services.

If you have any questions regarding the nature or amount of the compensation paid to any Aon company on your account, please contact the manager of the Aon office that services your account.

Limitation of liability

To the fullest extent permitted by law, and except for damages resulting solely and directly from fraud or intentional misconduct by us, Aon's liability (including that of its parent(s), affiliates, subsidiaries and their respective officers, directors, employees and agents) for all time to you (including your parent(s), affiliates, subsidiaries and their respective officers, directors, employees and agents) for any and all losses, damages, costs, and expenses (including but not limited to lawyer's fees), whether based on contract, tort (including negligence), or otherwise, in connection with or related to Aon's services (including a failure to provide a service) shall be limited to a total aggregate amount of \$2,500,000. To the fullest extent permitted by law, in no event will we be liable to you for any indirect, incidental, special, consequential, exemplary or reliance damages (including, without limitation, lost or anticipated revenues, lost business opportunities or lost sales or profits).

Payment of premium

Premiums are due and payable by you in full upon placement of the policies and to be received by Aon no later than the effective date of insurance coverage. Policies must be returned and/or cancellation notices must be provided to Aon immediately if coverage is to be terminated. Failure to pay premiums may result in cancellation of insurance coverage. In accordance with applicable laws, we will temporarily deposit into Aon's fiduciary accounts any premiums you pay to us as well as any refunds received from insurers that may be owed to you, until such time as these funds are appropriately delivered.

Premium taxes, other taxes and/or fees

- Insurance placements made by us and services provided by us on your behalf may require the payment of retail sales taxes, premium taxes, other taxes and/or fees in addition to the premium itself. Aon will make reasonable efforts to identify such taxes and/or fees applicable in Canada, but in all instances the allocation of premium for taxation purposes, assessment and payment of taxes, fees, interest and/or penalties are your sole responsibility.
- With respect to insurance placements covering risks in jurisdictions outside of Canada, you are solely responsible for determining whether taxes are payable and must self-assess and pay any taxes and/or fees that may be payable in these jurisdictions, as required.

Les filiales de Aon Corporation perçoivent des revenus de tous genres. La rémunération des filiales qui dispensent des services de courtage d'assurance et de réassurance, des services de gestion, notamment des risques, des placements et des captives, et des services de conseil en avantages sociaux, proviennent de commissions versées par les assureurs, d'honoraires payés par le client et qui sont en sus des primes, des indemnités et des ristournes qui sont détenues temporairement en fidéicommiss. Dans certains cas, les filiales perçoivent une rémunération sous forme de commissions ou d'honoraires pour des services de courtage en réassurance ou de gestion de captives liés au placement ou à la gestion de réassurance du risque du client, de commissions payées à un agent à qui le placement du risque a été confié, d'honoraires pour le financement de la prime et d'honoraires versés pour des services techniques ou autres. Si vous avez des questions sur la nature ou le montant de la rémunération versée à une des filiales de Aon Corporation, veuillez communiquer avec le directeur de la succursale qui dessert votre compte.

Paiement des primes

Les primes sont exigibles et payables, en totalité, lors du placement des polices et doivent être reçues par Aon au plus tard à la date d'entrée en vigueur de la couverture d'assurance. En cas de résiliation ou d'annulation de la couverture, les polices doivent être retournées et/ou des avis de résiliation doivent être fournis immédiatement à Aon. L'omission de payer les primes peut donner lieu à la résiliation de la couverture d'assurance. Conformément aux lois applicables, nous déposerons temporairement dans des comptes fiduciaires d'Aon toute prime que vous payez à Aon de même que tout remboursement reçu des assureurs qui peut vous être dû, et ce, jusqu'au moment où les sommes seront remises de manière appropriée à qui de droit.

Taxes sur les primes, autres taxes et/ou frais

Les placements d'assurance et autres services offerts par Aon pour votre compte peuvent exiger le paiement de taxes sur la vente au détail, de taxes sur les primes et autres taxes et frais, en sus de la prime. Aon déploiera des efforts raisonnables pour déterminer les taxes et droits applicables au Canada, mais, dans tous les cas, vous êtes seul responsable de la répartition des primes pour les fins fiscales, et de la détermination et du paiement des taxes, droits, intérêts et pénalités applicables.

En ce qui concerne les placements d'assurances couvrant des risques dans les juridictions autres que le Canada, vous êtes seul responsable de déterminer si des taxes ou autres droits sont exigibles, et vous devez autoévaluer et payer toutes les taxes et droits qui pourraient être payables dans ces juridictions, le cas échéant.
