What is a scoping session?

A scoping session is a meeting where the applicant explains their tentative proposal to members of the public. It’s an opportunity for members of the public to provide feedback on the proposal, prior to the applicant submitting a final application and an eventual public hearing. **This meeting does not determine whether the proposal will be granted.**

How to participate:

You can participate remotely or submit written comments on the proposal. The deadline for submitting written comments is **5:00 p.m. on December 28, 2020**. All written comments will be forwarded to the applicant for their consideration as they work on their final proposal. A copy of the draft lease application is available on DMR’s website at:

<http://www.maine.gov/dmr/aquaculture/leases/draftstandardapps.html>.
