COMMENT PERIOD:

- This site was previously noticed and received hearing requests. However, a recent law change made renewal proceedings non-adjudicatory, so hearings are no longer part of the renewal process. This proposal is being re-noticed with a 30-day public comment period to provide stakeholders with an opportunity to submit additional feedback.
- Written comments must be submitted by mail **or** email to the address provided above by the deadline. For full consideration, the comments should address one or more of the lease renewal decision criteria.
