

Samantha Peters

4/18/25

To the Maine Department of Marine Resources,

I am writing this letter to formally communicate that I will relinquish my LPAs (SPET323 and SPET423) if Vertical Bay is granted its standard aquaculture lease located West of Hog Island in Penobscot Bay. My LPAs are located within the boundaries of the proposed standard lease.

Sincerely,

Samantha Peters

A handwritten signature in black ink, appearing to read 'S. Peters', with a long horizontal flourish extending to the right.
